VIA INOMONTE, 79  
CALICE LIGURE (SV)

*How to get there?*

From the Finale Ligure exit: turn left towards Finale, at the roundabout turn left, follow the river until Calice Ligure, follow the signs for Rialto, after the bend, you will find on the left a small church (Santa Libera), take the first road on the right (via Dr. Giuseppe Agnese) until the end, at the junction turn left (uphill) and follow it until the end (you will arrive at a small parking lot where the road ends)... you have arrived at number 79! If you can't find a place in the small parking lot outside the house, don't despair 😡 (you are on vacation)... you will find another one 20 meters away and another one 100 meters away, all free! Thanks
